

What to Expect at **RBQMLIVE** 2023

SEPT.
6-7
2023

Get ready to **experience the future of RBQM**. [Register](#) to join industry experts and clinical trial specialists for the latest and greatest in the risk-based quality management (RBQM) field.

WHAT IS RBQMLIVE?

Proudly sponsored by CluePoints, RBQMLive is the leading event for insights into innovations happening in RBQM, its increasing importance in clinical research, and where we envision RBQM heading in the future. Attendees will get updates on the transformative shifts in RBQM technology, global regulations, new QTL recommendations, and more.

HOW TO ACCESS THE CONTENT

RBQMLive is a **free, virtual event**. Once you register and receive a link, you can log in from your computer and access all the cutting-edge information live from anywhere you want.

After the event, **we'll be sending out a link so you can access the content on-demand** in case you miss any (or just can't wait to re-watch it when it's all over).

RBQMLIVE 2023 HIGHLIGHTS

- 1.** Discover RBQM's global transformation
- 2.** Understand the ICH E6 (R3) guidance updates
- 3.** Discuss navigating the evolution of RBQM technology
- 4.** Learn about new adaptive QTL recommendations
- 5.** Hear from leading clinical trial and RBQM experts from **Tufts CSDD, Vertex, Parexel, Bayer**, and more
