

# TOP 6 REASONS TO ATTEND

For clinical trial professionals, it's vital to expedite the process of bringing effective medicines, therapies, and devices to market. Achieving this demands collaboration among the industry's brightest minds to uncover new insights and advance innovative ideas. **So, join us virtually at RBQMLive 2024 from September 24–25!**

## WHAT IS RBQMLIVE?

As the industry-leading event of the year, RBQMLive brings industry experts, clinical trial specialists, and curious listeners together to share insights and discuss the acceleration of RBQM. Join virtually to hear the transformative shifts in RBQM technology, global regulations, AI, and more.

## WHY ATTEND RBQMLIVE 2024?

- 1 UNLOCK THE PATH TO RBQM MATURITY**  
Explore evidence-based insights on the evolution of RBQM maturity.
- 2 ADAPT TO MODERN RBQM INDUSTRY GUIDANCE**  
Discuss opportunities and challenges with evolving guidance updates.
- 3 EXPLORE THE EMERGENCE OF AI & ML IN RBQM**  
Analyze real-world applications of artificial intelligence (AI) and machine learning (ML) in RBQM.
- 4 UNDERSTAND THE RISK-BASED DATA MANAGEMENT (RBDM) REVOLUTION**  
See how RBDM identifies real-time “outliers” and enables prompt corrective action.
- 5 ENHANCE DATA QUALITY THROUGH ADVANCED AUDIT TRAIL REVIEW**  
Examine the role of audit trail review in detecting risks and improving data quality.
- 6 OPTIMIZE STUDY OVERSIGHT THROUGH INTEGRATED DATA REVIEW**  
Gain insights into effective collaboration strategies for study oversight.
